## Vehicle Inspection Clarification

Brakes: Front / Rear: Firm application, no leaks, no excessive wear of pads/discs.

Headlight/Taillight: High and Low beams, rear running light, license plate light. Mirrors

(1 req.): Requirement regardless of motorcycle age.

Brake Light: Activates with both front lever and rear brake pedal application.

Turn Signals (\*4 req): Requirement regardless of motorcycle age. Must be visible from front/rear of motorcycle and rider must demonstrate knowledge and use of hand signals.

Chain Guard: Chain/Belt drives must be guarded.

Horn: Must be of clear, audible sound.

Front Fender: Must have one.

Rear Fender: Must have one.

License Plate & Mount: Plate must be clearly visible from rear of motorcycle. Must be illuminated with clear (white) light. Tire

Condition: Minimum tread of 2/32". No dry rot (cracking/splitting)

Loose Hardware: Check saddle bags, trunks and many other items that tend to vibrate loose. Anything can vibrate loose.
