2021 DINNERS AND EVENTS RE-OPENED!

Due to the reduction in COVID-19 cases and a relaxation on social gatherings, the Post leadership decided to re-open events and Dinners this month. We will observe the mandates handed down by our Governor and allow up to 50% capacity for all events.

If restrictions are further reduced or changed in any way, we will adjust as appropriate. We recommend you continue to monitor our website and Facebook page for updates.

Thank you in advance for your understanding and continued support.

Post 209 Family Leadership

FROM THE DESK & MIND OF THE COMMANDER

Why do you belong to the American Legion? Like the military we all have our own reasons for joining. The American Legion unlike the military though doesn't come with the join or jail option, we join because for some reason we want to continue serving. I want to share my reasons with you.

When I was growing up in Minnesota, I would walk past a hat every day. This hat was different than most, it was a diamond-like shape, blue with the word Minnesota embroidered in goldish yellow on one side. There was a patch that said, "For God and Country." Pins; there were three pins on this hat. One, a star, but not like normal stars. This one said something in the middle of it but time washed the letters away. The second pin was of a pheasant flying, and the last pin read 451. And above the goldish yellow embroidered Minnesota was the logo of the American Legion.

After being medically separated from the Army in 2016 due to injuries I sustained in Afghanistan, I wasn't quite sure what I was going to do. There was one thing I was sure of though, I needed to join The American Legion. Not because I knew what it stood for, or because I knew they base their values off the four pillars. I joined because I walked past a hat every day.

I finally joined online, got a card and that was it, I was a member of the American Legion. As a year went by, I started to think maybe being a part of the Legion is more than just having a card. I began looking at what my Post does. I learned that they are more than a bar or a place to tell war stories. It was a place for family, not just blood, but a family of Veterans who after getting out are left to face a world where most people will never understand what it means to serve.

By the way, that "Hat" belonged to my Grandfather, Albert Schmidt who served in the Army during the Korean War. He was a man I never met but his uniform cap would create a bond between us and pave the way for my place in the family of the American Legion.

We all have our reasons for being a member, and I want to know what your journey was to joining the American Legion. Come in for a dinner, membership meeting, or send a letter don't let your story go untold.

A final note, I have decided to run to be your Post Commander again. Elections will be held during the April's General Membership Meeting. Please come out and support or even run for a position, don't let your talents go to waste, share them with not only the post, but our community as a whole.

FROM THE DESK OF THE POST ADJUTANT

I am conducting a survey. I would like to know how effective the communications are between the officers of Post 209 and the membership. For this survey to work, I am requesting inputs from all of you reading this Newsletter.

- 1) Do you receive our weekly invites to the Friday dinners?
- 2) Have you had the need to communicate with any of the member of the Executive Committee Members?
- 3) If the answer to #2 is yes, how satisfied are you with the results?
- 4) Have you received a "Buddy Check" phone call this year from any member of the Post?
- 5) Do you have any suggestions as to what can be done differently to better our Post?

Please respond to adjutant@legion209.org

April is fast approaching. That means elections for the officers to lead our Post. All positions are open. If you would like put your name in the hat for one of them, to help us stay number one in the State of Colorado, contact our Judge Advocate. You may do this any time up to and including the day of elections. You must be a member in good standing to run for a position or to vote. The elections will be during the meeting on April 10 at 10:00 AM. Even if being an officer isn't your thing, at least come to the meeting and vote for your choices.

Our membership quota for this year is 1185 members by the end of June. If you know of anyone wanting to become a member, get them signed up. If your membership is due for renewal, let's GIT 'ER DONE!

Jerry Hopper
Post Adjutant

FROM THE DESK OF THE SR. VICE COMMANDER

We are doing well with membership for the year but we are still just over 100 members away from our quota from Department. Look at your membership card and if it does not have the year 2021 on it; your membership expired on Dec 31st. If your card says 2020, please send in your renewal or contact Adjutant Jerry to catch up on your membership today.

Post elections will be coming up at the April Membership Meeting and all positions are open. If you have an interest in helping with the leadership of the Post make sure to put your name in for the position you are interested in serving. The description of the duties for each office is in this newsletter.

We are still not out of the water yet with COVID-19 but things are improving. Remember that some members are still isolated and if know of a member in this situation, how about doing a "buddy check" on them. With the isolation we have all been experiencing a phone call can go a long way. If you would like to help out with making the phone calls please contact Jerry. Thanks for everything you do to help out veterans and our community.

Marvin Weaver, Jr.
Sr. Vice Commander

FROM THE DESK OF OUR FINANCE OFFICER

As some of you may have already learned, I recently decided to increase my involvement and responsibility within Post 209 by stepping down as the Post Sergeant-At-Arms in order to fill the vacant Post Finance Officer position. While there is an audit currently in progress following the departure of our previous Post Finance Officer, which should be completed in the next week or two, I have been added to all the applicable Post 209 accounts and am starting to learn how the Post's budget is generally done. I am waiting for the audit to be completed before "diving in head first" into the position. I will be spending a lot of time over the next month so I can fully understand how the Post's finances work and have been done in the past.

I will be taking any recommended changes or improvements from the audit results into serious consideration, implementing those that are actionable as soon as possible. As everyone is aware, COVID-19 has had an impact to our Post's finances. While the Post is still doing ok financially, we are not where we would have been without the shutdowns. With the Post slowly opening back up for Friday dinners and other activities, things are obviously going to start improving as things "hopefully" start to return to some resemblance of normal. Fundraisers are definitely needed to try and bring additional funds into the Post so that we can get our support to Veterans back up to normal levels. Please come to me, the Post Commander, or any other officer with fundraising ideas you may have so that we can look at the feasibility of implementing them. ANY fundraising idea is worth looking into, so start making the Executive Committee busy with your ideas.

Joel Haas
Finance Officer

FROM THE DESK OF THE UNIT PRESIDENT

I'd like to thank all those who volunteered their time doing what they do. Without our volunteers, we would not be a successful Post. We can always use more volunteers, so please don't hesitate to come down and help. Even if it's just an hour a month.

Our next meeting is April 10th at 10:00 a.m. Come and have breakfast beforehand, at 9:00 a.m.

Don't forget elections will be on April 10th during our monthly meeting. Anyone interested in running for an office should contact Jackie Bowen at jackiebowen2005@yahoo.com.

I want to thank everyone for making our Butter Braid fundraiser a great success.

We are looking for sponsors for our Girls State program. If you know of anyone that would like to sponsor a girl or if you would like to be a sponsor, the full amount is \$40 for each girl. If you

can't do the total amount, any amount will help. If you would like to sponsor a girl, please contact Royce Hopper or Jackie Bowen. Girls State will be on June 7th thru 10th.

I would like to wish the following ladies a HAPPY BIRTHDAY: Elaine Bock, Marilyn Brinkley Cotter, Cheryl Cayemberg, Kristina Floyd, Renee Hedrick, Gloria Hill, Stephanie Moyer, Elizabeth Seitz, Donna Rea Smith, and Lois Wooton. Wish these ladies Happy Birthday when you see them.

The Auxiliary dinner for April (4/9) will be a Chinese menu. Cost for dinner is \$10.00. Please come down and support Auxiliary, and make sure to RSVP.

Serving Our Veterans Proudly!

FROM OUR POST SERVICE OFFICER

Our Post has reached out with assistance to 68 Veterans for the calendar year 2020 and 18 for 2021. You may not be aware, but we have a Post Veterans' Assistance Fund that was first established by our Post's namesake, Neal Thomas, Jr. As of 31 January, we have just over \$5,532 in emergency funds. That may sound like a lot of money, but it goes very quickly when used to assist Veterans for emergency support.

If you would like to donate to keep this fund going, you can mail us a check or go to our Post website at legion209.org and click on the "Donate" button. You can enter the term PVAFF to ensure the donation is earmarked for this special account. Remember, we are a non-profit charity so your donation may be tax deductible. Check with your tax advisor to find out!

WALK OF HONOR

Buy A Brick Fundraiser!

We are re-introducing an exciting fundraiser for our Post. We are partnering with Polar Engraving to offer our members, family, friends, and our corporate Veteran-friendly supporters an opportunity to purchase an engraved brick to adorn our landscaping project we are working. The engraving uses the same technology as used on tombstones so it's extremely durable. Here are some FAQs:

- **What Are We Having?** A Brick Fundraising Event
- **Why?** To Further Funding of our American Legion Programs
- **What Size Are the Bricks?** 4"x 8" or 8"x 8" bricks for individuals, and 8"x 8" or 12"x 12" bricks for our corporate supporters.
- **What are the Costs for the Individual Bricks?** Prices vary depending on size, style and lettering desired, but typically range from \$75 to \$200. For the 8x8 or 12x12 bricks, you can add a second emblem. Contact the Adjutant for ordering details. There is **NO** additional cost for the second emblem on the larger bricks.
- **What are the Costs for the Corporate/Veteran Supporter Bricks?** Again, prices vary depending on size, style, and lettering but typically range from \$125 to \$500.
- **What is the Difference between Individual and Corporate Bricks?** Individual bricks are identified for Veterans, and family members of Veterans wishing to purchase a brick to honor their Veteran. The corporate bricks are for our Veteran-friendly supporters and businesses who wish to show their continued support to our Nation's heroes by purchasing a brick.
- **Is the Brick Purchase Restricted to Members of the Post 209 Family?** No. We encourage members to buy a brick for themselves as a lasting memory of their association with Post 209. We also welcome anyone to purchase a brick for their Veteran loved one, or to show their support to our Veterans.
- **Can I Buy a 12"x 12" Brick for Myself/Loved One?** Absolutely!
- **Where Do I Go to Buy a Brick?** We have a link on our website. Just visit legion209.org and click on "Walk of Honor." Or, you can visit <http://polarengraving.com/ALPost209> to buy your brick. The site is very user-friendly and will walk you through the design and purchase. You will be able to see a preview of your brick before finalizing the purchase.
- **How Do I Pay For the Brick?** We have the site setup to accept payment via PayPal or by check. PayPal is an extremely safe way to purchase a brick and you don't need a PayPal account to use it.
- **Where Will the Brick Be Shipped?** All bricks will be shipped to the Post. We will notify you when it arrives and you are welcome to stop by and see the brick you have purchased.
- **What Will Become of My Brick?** It will be placed near the Flagpole at the Post and will be part of the landscaping design we are working. If you are a landscaper or know a good one (preferably a Veteran), have them contact our Adjutant.
- **How Long Will this Fundraiser Effort Last?** We plan to only sell as many bricks as needed for the first phase of the landscaping project. Currently, that is anticipated to be 600 bricks, but that number may change depending on brick sizes purchased and the final design approved by the Post.
- **Will I Have an Opportunity to Buy a Brick Later?** Quite possibly. It depends on what is decided/approved for the next phase of our project.

Order your brick(s) now to ensure you get one in Phase One of our project. If you buy multiple bricks, let our Adjutant know and we will make certain they are all placed together.

BRINGING A LITTLE SOUTH TO THE WEST

I am constantly amazed at how some parents will routinely prepare multiple dinner meals because their kids won't eat what is served. On one hand, it is good these families are so well off they can afford to prepare home-cooked meals restaurant style. But on the other hand, why are kids allowed to make the decision on what they will or won't eat?

Like most folks, we didn't have much growing up. But we always had food on the table and there was plenty. We rarely had steak, most of our meat dishes consisted of chicken or fish. And there was always meat of some kind, or something that resembled meat. Mom would often make stew from the bargain stew meat offered at our local Kroger grocery store. When Mom made the stew, she made enough for 3 or 4 nights of leftovers. To this day, I won't eat stew!

Another favorite meat dish Mom would cook was liver and onions. There is nothing you can do to liver to make it edible. Over the years, I've had people tell me that if I would try the way they fixed liver, I'd like it. I guess I'll just have to take their word for it, because I'll never know for certain.

No food was ever wasted at our house. If there were mashed potatoes left over (and there almost always was), the next night Mom would take the leftover potatoes, smash them into what looked like a pancake, crack an egg on top of them and fry up some potato cakes. They were actually pretty good. And she would clean, soak and cook enough beans to last 2 or 3 nights.

Because there wasn't much in the way of variety, I have sworn off most of the food I ate growing up, with the exception of fresh Pinto Beans. We had that pretty often, as well as Pork and Beans. But I still enjoy Pintos and Mashed Potatoes. Not a big fan of Green Beans, but I'll eat them. Not a fan at all of fresh greens, and I won't eat them. Nope! Never!

And forget about going out to eat when growing up. That was a luxury we almost never enjoyed. I think maybe once a year we were treated to a burger at the "Chat-N-Chow" Restaurant around the corner from our house. But that was always take-out. I don't think I ever sat at one of the diner-style tables. The only thing that resembled going out to eat was stopping at a milk shake stand on the way home from Arkansas to visit the grandparents. That was the highlight of our approximately 1 ½ hour drive to the country; stopping on the way home for a milk shake. Even our Collie dog, King enjoyed helping us finish off those delicious shakes.

But I digress. Regardless what was placed on the dinner table at home or while visiting grandparents, we ate it. We didn't have the luxury of telling Mom we didn't want the stew, instead we wanted a Hot Dog or Burger. Even if it was in the Frigidaire, it would not have mattered. If it wasn't the meal prepared for dinner, we didn't have the choice. And we didn't have the choice of not eating. Fortunately, Dad knew of our extreme distaste for liver (I think he probably shared our thoughts on this organ), so occasionally he would allow us to leave some on the plate, but only after we ate at least half of it. Toward the end of the meal, we would ask to be excused from the dinner table and he would inspect what was left on the plate. If there was meat he would say, "Take one more bite, then you can get up." That was often a very tough bite, but we normally could wash it down quickly with some good sweet iced tea.

We make it way too easy and convenient on our kids today. We've spoiled them to a point where it appears they are the one's making family decisions about things like food. And their choices are not always (most of the time it is not) the most healthy choices. No wonder we have so many adolescents and teens with medical issues. They need to eat some liver and stew!
