CHRISTMAS

Christmas is a part of the year that most everyone, Children and Adults alike, Love. It is a time for giving and receiving. All of us throughout the year give in one way or another. A lot of us give of ourselves throughout the year on the Many American Legion Programs, as well as in the various positions of Leadership.

This part of the season is also about LOVE. Love for our fellow Legionnaires, Auxiliary Members and thier families as well as the people that we come in contact with during our normal day. It is a spirit that is more pronounced during the Holidays.

I am asking evryone to give a little bit more of themselves and show a portion of LOVE for those that less fortunate that we are. I started a Food and Toy drive within the Post. If you all would bring the items to the Post by the 18th of December I would greatly appreciate it.

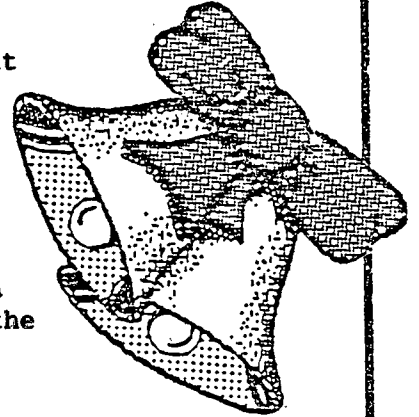

Think of the joy and delight that the children will have when the open those present that were given by the members of this Post. Think of the delight when the Christmas Dinner is served when those who have less than us sit down to that dinner and give thanks to those that had the Loving spirit and care in their hearts to think of others.

SEASONS

I can think of no better way to bring joy and delight this holiday season to the Children as well as some of the families within our Community than to help give everyone the Joy of Christmas.
