DECEMBER 2001

From the Commander – Charles “Chuck” Zeitvogel

Holiday Greetings:

Your Executive Committee and Board of Trustees extend "Greetings and Best Wishes" for the upcoming Christmas and the New Year Holiday Season to all in our American Legion Centennial Post 209 families. May these Holidays be joyous, prosperous, and safe for all.

December General Membership Meeting

The General Membership Meeting for December 20th will not be held. It was voted at the November meeting to suspend it in due to the Christmas and New Year's holiday season. Members are encouraged to attend the Post 209 Christmas Party to be held at Post 5's facilities in lieu of the regular meeting.

Veterans' Day Parade

The Veterans' Day Parade held November 10th in Colorado Springs was a huge success. Several members of our Post participated. Comments heard from members of various organizations were that this was one of the most emotional parades they had marched in. Much of this was due to the enthusiasm of the thousands of cheering, flag waving people along the parade route. We thank all the Colorado Springs residents and visitor's who were there in support of this Veteran's Day Parade.

SOMETHING IS MISSING

Something was missing from the Veterans Days Ceremonies at Memorial Park Today.

Something has been missing from the General Membership meetings every month.

Something has been missing from our planning sessions.

Something has been missing from the parties and activities of the Post.

Something has been missing from the programs of The American Legion and Centennial 209.

That something is yoU. That's right yoU!! There are many things that we cannot do without U.

We can't have doubles for tennis without yoU. We can't have a committee of two without yoU. We can't lift a heavy object without yoU. We can't have a big function without yoU. We can't have any fun without yoU. We can't spell Us without yoU. We can't pUsh for 100 % without yoU. We can't spell sUccess without yoU.

I guess what I'm trying to get across to you is that you are the most important person to the success of this Post and The Programs of The American Legion. Without your ideas and input we can't do much of anything. If the truth be known we can't do much without yoU.

Many years ago I wrote an article something along this line, trying to impress upon the members that you are the most vital link to the success of the Post.

I received letters that stated, "I'm bed bound, I'm house bound, I work at nights, I have children at home, or I'm caring for my parents". At that time as now, it was and is a very valid reason for not becoming involved. But you know, I never heard one Legionnaire say "I'm too busy watching TV", "I'm too busy washing my car". I've never heard a Legionnaire say "I'm too busy to do anything".

At that time, I didn't reply to anything. Today, I feel that I need to say a few things. The events of 11 September 2001 have had a dramatic change on the country and its citizens. There is a heightened awareness of terrorism, and bacterial warfare. This has led to the leaders of our country activating our sons, daughters, grandsons, and granddaughters in defense of our nation. We are now faced with the support of the families that have been left behind. This support can take many facets from providing rides to the store, babysitting, mowing the grass, raking leaves, shoveling sidewalks, to providing monetary support to the families. We should not be faced with telling these families that are depending on us for help that we do not have a group of Legionnaires willing to get involved and help with planning and carrying out the tasks.

I hope you know why I'm saying that the important person that is missing from the programs of The American Legion and the success of this Post is yoU. Think about it and make yourself available, let us know your ideas and what it is that you can do to help the Post achieve sUccess.

Bingo Volunteers Needed

With a membership of around 300 Legionnaires, it would seem that volunteers would be "jumping out of the woodwork"! Not so. We have seen the same "seasoned" volunteers every Tuesday evening since the restart of Bingo in May. We encourage members & auxiliary to please help so the volunteers can have an evening off. Please call Greg at 636-3346 for information or come to the hall - Bingo Depot, Austin Bluffs and Academy.

From the Senior Vice Commander: Larry Johnson

One Dollar Bill

ALL THE TALIBAN HAVE TO DO IS LOOK AT THE UNITED STATES ONE-DOLLAR BILL.

Take out a one-dollar bill, and look at it. The one-dollar bill you're looking at first came off the presses in 1957 in its present design.

This so-called paper money is in fact a cotton and linen blend, with red and blue minute silk fibers running through it. It is actually material. We've all washed it without it falling apart. A special blend of ink is used, the contents we will never know. It is overprinted with symbols and then it is starched to make it water resistant and pressed to give it that nice crisp look.

If you look on the front of the bill, you will see the United States Treasury Seal. On the top you will see the scales for a balanced budget. In the center, you have a carpenter's square, a tool used for an even cut. Underneath is the Key to the United States Treasury.

That's all pretty easy to figure out, but what is on the back of that dollar bill is something we should all know. If you turn the bill over, you will see two circles. Both circles, together, comprise the Great Seal of the United States.

The First Continental Congress requested that Benjamin Franklin and a group of men come up with a Seal. It took them four years to accomplish this task and another two years to get it approved. If you look at the left-hand circle, you will see a Pyramid. Notice the face is lighted, and the western side is dark. This country was just beginning. We had not begun to explore the West or decided what we could do for Western Civilization. The Pyramid is un-capped, again signifying that we were not even close to being finished. Inside the capstone you have the all-seeing eye, an ancient symbol for divinity. It was Franklin's belief that one man couldn't do it alone, but a group of men, with the help of God, could do anything. IN GOD WE TRUST is on this currency. The Latin above the Pyramid, ANNUIT COEPTIS, means "God has favored our undertaking". The Latin below the Pyramid, NOVUS ORDO SECLORUM, means "a new order has begun".

At the base of the Pyramid is the Roman numeral for 1776. If you look at the right-hand circle, and check it carefully, you will learn that it is on every National Cemetery in the United States. It is also on the Parade of Flags Walkway at the Bushnell, FL National Cemetery, and is the centerpiece of most heroes' monuments.

Slightly modified, it is the Seal of the President of the United States, and it is always visible whenever he speaks; yet very few people know what the symbols mean. The Bald Eagle was selected as a symbol for victory for two reasons: First, he is not afraid of a storm; he is strong and he is smart enough to soar above it. Second, he wears no material crown. We had just broken from the King of England. Also, notice the shield is unsupported. This country can now stand on its own. At the top of the shield you have a white bar signifying congress, a unifying factor. We were coming together as one nation. In the Eagle's beak, you will read, E PLURIBUS UNUM, meaning "one nation for many people". Above the Eagle, you have thirteen stars, representing the thirteen colonies, and any clouds of misunderstanding rolling away. Again, we were coming together as one. Notice what the Eagle holds in his talons. He holds an olive branch and arrows. This country wants peace, but we will never be afraid to fight to preserve peace. The Eagle always wants to face the olive branch, but in time of war, his gaze turns toward the arrows.

They say that the number 13 is an unlucky number. This is almost a worldwide belief. You will usually never see a room numbered 13, or any hotels with a 13th floor. But think about this: 13 original colonies, 13 signers of the Declaration of Independence, 13 stripes on our flag, 13 steps on the Pyramid, 13 letters in the Latin above, 13 letters in E Pluribus Unum, 13 stars above the Eagle, 13 bars on the shield, 13 leaves on the olive branch, 13 fruits and if you look closely, 13 arrows.

13th Amendment for minorities:

Why don't you know this? Your children don't know this and their history teachers don't know this. Too many veterans have given up too much to ever let the meaning fade. Many veterans remember coming home to an America that didn't care. Too many veterans never came home at all.

Share this article with everyone, so they can learn what is on the back of the United States one-dollar bill and what it stands for... Otherwise, they will probably never know.

From the Adjutant: Ann Foster

I am very happy to report that we are doing well, so far, with our membership for 2002. We have 236 members and that is more than 85% of our goal of 271. Only 8 more will give us 90% and 35 more will make our 100%. We still have time to reach 100% by the end of the year, so please help us out if you have not already done so. This is the very basic level of membership in The American Legion. By paying your dues you ensure that you receive all of the benefits of belonging to The American Legion. Various parts of your dues make many of the programs possible for veterans, their families, and the communities in which we reside. The next level of membership is where you attend the monthly General Meeting, if you are able, and experience the comradeship of your fellow veterans and learn something from the programs included in these meetings. After that comes the opportunity to help one of the committees that are available, so that our Post can actively participate in The American Legion programs. Some of the programs we sponsor are: Cub Pack 24; an active Junior Shooting Program with the Junior ROTC program at Widefield High School; high school students for the Oratorical Contest that provides scholarship money for college; Junior graduate boys to attend Boy's State to learn how government works; and American Legion Baseball. We help pay dues for veterans at the Florence State Veterans Nursing Home that want to belong to The American Legion; we give Thanksgiving and Christmas baskets; and we work with the VA Outpatient Clinic; etc. You get the idea! THE REALLY SAD THING IS THAT THE EXECUTIVE COMMITTEE AND JUST A VERY FEW OTHERS ARE DOING ALL OF THE WORK!! Whenever there is training of any kind for The American Legion, the few of us who attend, tell us that all we have to do is ask! WELL, I HAVE DECIDED IT IS TIME TO ASK YOU TO FOLLOW THE EXAMPLE OF BILL MARSHALL WHO IS WORKING ON THE ORATORICAL CONTEST!! When we say we could use your help we are not kidding around!! We need people to help with the programs mentioned above and others such as our fund raisers of Bingo or, the once a year, Pikes Peak Or Bust Rodeo, that provides money to us for our programs. If those of you who are able to help would do so, it would not be that much for you to do and would really lighten the load of those who are doing it all. I know that others and I have talked about this in the newsletters of the past, but I felt the need to do so again at this time, as we only had 9 members of the Executive Committee present at the General Membership meeting last Thursday night, 16 November. Officers of District 7 visited us. Four of those officers were from other Posts in the District and four are from our own Post. That is really sad!! This is your Post!! At the very least, we need to hear from you about why you joined The American Legion. Surely it was for more than receipt of The American Legion magazine! It is painful to say what I feel it necessary to say this time, but it is even more painful to not have communication or see so many of you who at least pay your dues. We appreciate very much that first level of membership, but it would really be beneficial to you, as well as the rest of the Post, if you could step up to the plate and help make this a truly active Post!! It only takes a 34 cent stamp to jot a few lines to us and let us know why you joined The American Legion, what do you expect from that membership, and what can you do to help? Even if all you can do is pray for the rest of us, that would be something more than we know about now. So, please take a few moments to contact us, and maybe in the development of a relationship with you, we can help you as well as you can help us! Thanks for listening!

NEWS RELEASE from the United States Department of Defense

DOD ANNOUNCES NEW WAYS TO EXPRESS SUPPORT

The Department of Defense today announced new ways for Americans to show support for their service members deployed overseas. The initiatives, made necessary by a moratorium on mail addressed to "Any Service member," provide alternatives to traditional letter-writing campaigns. DOD suggests that Americans support the troops by instead supporting the communities in which they live.

One way to show support is by doing a good deed on behalf of service members. Visit a VA hospital or nursing home, or volunteer in the local community to help make up for service members who normally would volunteer but are now deployed or otherwise too busy with their duties. Many service members volunteer to coach children's teams, feed the homeless, and aid their communities in a variety of other ways. Interested Americans can show their support and honor their military by volunteering in their local communities.

Although many towns do not have a military base nearby, military recruiters are stationed nearly everywhere. Local governments and chambers of commerce are encouraged to reach out to these local members of the military, invite them to speak at community events, and encourage members of the community to learn more about America's military.

Members of the community who know military families might want to offer their support by reaching out to those families while their loved ones are deployed.

A number of private organizations are developing Web-based methods for Americans to show support. While donations of food and gifts for delivery overseas can no longer be accepted, interested Americans might contribute instead to military relief societies. For more information see: http://www.defenselink.mil/news/Sep2001/n09172001_200109173.html.

All of these initiatives are in response to the suspension of the "Any Service Member" mail program for operations in Bosnia and Kosovo. Military postal officials will not be implementing a similar program for Operation Enduring Freedom. Operation Dear Abby, a morale booster for service members overseas for more than 17 years, will also be suspended. DOD officials are working on alternatives to that program as well.

Service members value and appreciate expressions of support from the American people, and these and other mail programs are a significant boost to morale. However, recent mail-related attacks have resulted in additional precautions and the safety of service members is paramount. The increased manpower required to ensure safe mail handling coupled with the increased volume of mail that letter-writing campaigns generate could exceed capabilities, and therefore cannot be supported at this time.

Normal mail delivery addressed by name to individual service members will continue uninterrupted.

Early Bird Dinner:

The Early Bird Dinner celebrated November 17th had 32 in attendance. We thank American Legion Post 5 for the use of their facilities to celebrate this event. Al Cyriaque and Larry Johnson prepared the meal and program. In addition to the meal there were two parts to the program. First we had presentation of an American Flag to Mrs. Janet Krause Westerdahl. This was in honor of her husband, Staff Sergeant Jack V. Westerdahl, a World War II veteran recently deceased. His daughters, Julie and Terri, were also present. This was followed by an induction ceremony for new members in American Legion Post 209. New initiates were Joyce Moyer, Tom Morant, Greg Andries, William Marshall and Charles Zeitvogel. Janice Johnson also received her certificate of initiation.

General Membership Meetings Attendance and Cash Drawing:

Member attendance at our General Membership Meetings is extremely important. Our goal is to have at least ten percent of our members in attendance at each meeting. Starting in January 2002, and for the following six months, to help encourage attendance, we will draw a name from the membership roster at each meeting. It will start with \$25.00 going to the member whose name is drawn. If that member is not present, \$5.00 will be added to the amount to be drawn the following month. A member must be present to win the amount in the drawing. Hopefully, this incentive will encourage more members to attend at General Membership Meeting these next six (6) months.

From the Colorado Department, November 15, 2001 Newsletter:

From the Auxilliary President – Dot Dassero

It seems like it was just the beginning of the year, and here it is already December and the end of another year.

Although the Unit has been involved with a few of The American Legion Auxilliary Programs, as well as supporting The American Legion wherever we can, we need to bring more Ladies into our Auxilliary Unit that will be willing to give us a hand with our programs.

I would like to thank all who have called me and/or sent me e-mails wishing me a speedy recovery.

As we head into the holiday season, I will take a minute to wish all a Safe and Happy Holiday season. I hope that everyone will take extra precautions when traveling by car and other modes of transportation.

The only thing that keeps us from accomplishing more throughout the year is our membership. You've heard before and I will say it again, "If everyone would talk to another and bring her into the Unit we could double our membership".

Until the next Newsletter
