

# CENTENNIAL POST 209

# THE AMERICAN LEGION

JANUARY 1997

We held the annual Christmas Party on December 15th, and had several new members in attendance. Everyone seemed to enjoy themselves. The food was excellent. I hope that each of you have a Happy and Prosperous New Year.

We are having a little trouble getting the bids on the new building. All the contractors seem to be so busy that they don't want to submit bid. We will keep trying and hope to get all the bids in the first part of next month.

The Oratorical contestant gave her speech at the Christmas party and we wish her luck. Her name is Rebecca Tate and she attends Liberty High School. Rebecca goes on now to District, hopefully Departmental level and possibly National. Oratorical contest winners compete for as high as \$18,000 in scholarships so we do wish Rebecca well.

Our next meeting will be January 16 at the DAV Building, Palmer Park and Peterson Road, at 7:00 P.M. I hope you read last month's article and agree and will attend this meeting.

Some important items of interest to Vets are:

1. VA will issue new I.D. cards to improve service to veterans for VA services.
2. Changes in the SGLI and VGLI insurance program and possible increases in death benefit.
3. Changes in the educational program for vets.
4. Changes in medicare and VA health benefits.
5. Tricare program goes into effect April 1, 1997.

If you have any questions regarding any of these, or would like more information, come to our meeting on January 16, and we will be happy to discuss it with you.

## ADJUTANT'S ANNOTATIONS - ANN FOSTER

Membership is 272 at the time I write this. That is four away from 55%. Hopefully we will have that and be beyond after the new year starts. I need to remind everyone who has not renewed by the end of January, this will be your last newsletter! So, send in your dues by the 25th of January and we will keep you on the rolls.

Besides receiving the various Legion publications, you need to renew for two other very good reasons. When the new 105th Congress goes into session, we need to urge our elected representatives to support the Citizens Flag Alliance and The American Legion's GI Bill of Health. These two items are so very important to veterans who have sacrificed their lives for this country, and for those of us who remain behind. By renewing your membership, you add your voice to all of the other Legionnaires. That clout will go a long way towards getting these two items passed. We also encourage you to write your representative to say how important these items are to you.

Of course, we also need to remember that our dues support the many Legion programs which benefit veterans and their families. Especially important are the Children and Youth programs for the children are the future. These are just a few of the very valid reasons for renewing your membership in The American Legion.

I join the Commander in urging your attendance at our meetings. While we are used to living in a representative democracy, this is your Post, and your input is very valuable to those of us who are your elected representatives. We want to be able to consider your ideas and your feelings while we try to do what is best for Post 209.

I hope that you have all had a very Merry Christmas and are looking forward to the New Year!
