

CENTENNIAL POST 209
THE AMERICAN LEGION

JUNE 1995

FROM THE COMMANDER - HARRY JOHNSON

THE CARDINAL PRINCIPLE OF THE AMERICAN LEGION IS THE REHABILITATION OF DISABLED VETERANS, THE CARE OF DEPENDENTS OF THOSE WHO ANSWERED THE FINAL CALL, EDUCATION OF OUR CHILDREN, AND SERVICE TO THE COMMUNITY, STATE AND NATION.

The American Legion year, 1995-96, starts for me as Commander after the Department convention in June. I promise to abide by the guiding principles of The American Legion. I will do what is required to insure the successful operation of this Centennial Post 209. We will operate under the sunshine principle, making no commitments not properly approved by the Executive Committee and/or the general membership. All transactions will be made in the light of day, no closed or unscheduled meetings.

We will support our veterans, their dependents, and children and youth. That was the founding principle of the Legion. We will also try our best to have a little fun along the way as "all work and no play" makes for a very boring situation.

I will need the help of all officers

and membership, including the Auxiliary and Sons of The American Legion. The officers installed have promised to do their jobs and I'm sure that they will be the best elected group of Post officers in the Department of Colorado. One of the main jobs for the Post, as I see it, is to go forward with planning and building a Post Home, as soon as possible.

I'm sure that most of you know that our annual budget is over \$100,000 per year but you may not know that most of the funds come from our Bingo game. We could not operate, under our present situation, without the Bingo game. We need the help of anyone who has any time to spare to run our Bingo game.

This is your Post, you members of the Legion, Auxiliary and the Sons. You can make it work or you can let it fail. It is really up to you, the membership. We, as elected officers of the Post, can do our jobs only with your support and help. I call upon all the members to do your part by attending the general membership meetings. Let your views be known and offer any constructive suggestions you have about your Post.

MORE BY COMMANDER HARRY

Starting with the July newsletter, we will publish a listing of all members offering a product or service which you may need. We assume no responsibility for the information. We are not recommending or guaranteeing the product or the service but publish the list as a convenience. If you wish to have your product or service, along with your name and phone number, published on this list, please come to the July meeting and we will allow you two minutes to present yourself (time permitting).

VA GUARANTEED LOANS

From: NCOA Newsletter

A number of veterans think that VA Guaranteed Loans are only for the purpose of buying a house. The loans are for that purpose but may also be used to procure townhouses, condominiums, to build a home, or to repair, alter or improve a home; to buy a manufactured home with or without the property lot; buy and improve a manufactured home or to improve one; improve the veterans home heating/cooling system or add energy efficiency measures. Remember, VA guarantees bank and financial institution loans for a variety of purposes but the process starts with the veteran qualifying for the loans; VA is not a money lender.

VA HEALTH SCHOLARSHIPS

The Department of Veterans Affairs awards scholarships to nursing, nurse anesthesia and occupational, physical and respiratory therapy students, and for the first time, physician assistants! Awards are intended for students in the final year of an associated degree in nursing or respiratory therapy, or the final two years of a baccalaureate or master's degree in nursing, occupational, physical and respiratory therapy, or physician assistant program. Recipients receive tuition, education expenses, and a monthly stipend of \$767.00. In exchange, participants agree to serve as a full-time VA professional in a VA health facility for a period of two years. Requests for applications may be made March 1st to May 19th (for next year) by calling 202-535-7528.

ADJUTANT ANNOTATIONS - ANN FOSTER

Membership is now at 343. We only need eight more to make 70%. If you are following any of the Congressional news these days, you know that we are in for some drastic changes with respect to health care and other issues. The American Legion is the largest veteran service organization, and its record of service to the veteran is excellent. However, the more members we have increases our ability to have our voices heard on the issues that matter.

Department convention will be in Sterling, June 23-25. At this time, your delegates will be Harry Johnson, Ann Foster, Larry Johnson, Howard Hornik and Neal Thomas. If you wish them to find out about anything while in attendance, please let them know.

MEMO FROM WM. M. DETWEILER, NATIONAL COMMANDER

National has learned a special account has been established for victims and their families in Oklahoma. The Department of

Oklahoma has requested anyone wishing to contribute to this cause to send contributions to Jerry Askins, Adjutant, Department of Oklahoma, P. O. Box 53037, Oklahoma City, OK 73152. Information concerning injuries to members of the Legion family is still being collected but preliminary information advises five known members were injured during the blast.

AUXILIARY REPORT

Congratulation to Barbara Johnson who was installed as President of our unit at the installation dinner. Should be fun having our Commander and President from the same family. Dot Dassero assumed the dual office of secretary-treasurer, Marcia Shellhammer as Chaplain and Ruth Hornik, Sgt-at-Arms. We know for sure that the Auxiliary will be behind Harry (or beside him) in implementing the plans he develops for the Legion in the coming year.

The Auxiliary does not schedule a meeting for the month of June because of Department Convention. However, our meetings for July and August will be held at the office of the Post on Austin Bluff Blvd. At those meetings, we will decide whether to continue holding our monthly meeting at that location or return to the TREA or elsewhere. We hope you will voice your opinion.

Vi Herath wants to thank Jim Shellhammer, Florence Spiewak, Alice Hart and Donna Watkins for helping her distribute poppies this year. It's been a rainy week for this project and yet these people showed up to assist with the Auxiliary project. Half of the funds collected go to VA&R and half to Children & Youth. We appreciate you guys!

Congratulations to Ireana Campbell who was recently installed as Chapeau for Salon 422, 8&40.
