JUNE 2004 - NEWSLETTER

WELCOME HOME TROOPS

Officers Comments

COMMANDER – Bill Marshall

On behalf of all the newly elected officers, I thank the membership for putting your trust in us to lead Post 209 in 2004-2005. We will do our very best to make this Post, one of, the best, if not, THE best in the state.

We already have been hard at work. The Executive Committee met on May 23, 2004 to set a preliminary program for the next 6 months, which we can modify as events locally and nationally are planned. I want to make meetings efficient, and to this end, I have asked the officers to keep their reports short and to the point. I also want our meetings to be enjoyable, so we will have guest speakers who are informative and up to date on subjects we care about. If you have ideas on what you would like to hear, and know of a speaker, please contact Jr. Vice W.W. Bandler.

June 5 will be a short business meeting so we can attend the Welcome Home The Troops Parade, scheduled to start at 10 am. There will be a reviewing stand set up on Tejon St. at Acacia Park. I hope to see all of you there.

June 12 is clean up the property day and the more hands we have, the faster the work will go. We will start at about 8:30-9 AM and go as long as it takes. Even if you can be there for only a short time, it will be a great help. There will be an ASSORTMENT of cold beverages available. If nothing else, bring a lawn chair, sit in the shade and supervise. However, if it rains, stay home and watch TV.

The July Membership meeting will be a breakfast and we will continue this format every other month

Jr. Vice Commander – W.W.Bandler

The July 10, 2004, General Membership meeting will be a breakfast starting at 9 AM. The cost is \$6.00 per person, payable to Post 209, this includes breakfast, tax and gratuity. Reservations must be received by Tuesday 6 July so we can notify TREA and they will know how much food to order and prepare. We will insure that there will be enough for any late arrivals. We are currently planning a picnic for August and more details will be provided in the July Newsletter.

Adjutant- Ann Foster

As of June 2, 2004, we have 282 members towards our goal of 285. If we could get just three more members very soon, we would reach 100%. While we won't get any awards at this time, it would be very helpful to Department for us to achieve 100% before Convention. So, please try to help us out!

As a reminder, the membership drive for 2005 will begin on July 1, 2004. As the largest veterans service organization it takes the National workers a long time to process renewals and new memberships coming into them from all over the country. The sooner you get your membership in the sooner they can get you processed ahead of others. It also helps us at the Post level, so we can concentrate on Legion programs after taking care of the memberships. Your assistance would be greatly appreciated.

Additionally, if you have not renewed for 2004 yet we will need to remove you from the newsletter mailing list as we do not have the funds to continue mailing to those who are not helping to pay towards those costs. This will also affect your receipt of the Department newsletter and The American Legion National magazine, so please renew in order to keep up with those issues of concern to you as a veteran.

Finance Officer -Norm Moyer

Thanks for the support from Legionnaires Todd Delahanty and Chuck Zeitvogel in conducting the Finance Audit covering the past two years. It had very positive results. The audit will be finalized shortly after my return from retirement/vacation.

Reconciliation of the Ent Checking account for the past two years resulted in only insignificant minor adjustments.

Thanks to our Legionnaires for the DONATIONS to assist in covering the expenses in lieu of fund raisers and for your confidence in your Finance Officer.

CUB PACK 24 We are happy to report that the booth our Pack had at the Scout Show on May 15, 2004, took First Place from among the Cub Pack booths present. Those attending the show voted. Our boys did an excellent job showing others attending how to make a leather key chain or kerchief slide they could take home with them. There will be a Planning meeting for the coming year June 6, 2004. We are looking forward to another great year for this exciting group of boys.

JR ROTC Again, this year citizenship medals and military and scholastic excellence medals were presented to the winners at the Air Force Jr ROTC group at Mitchell High School. For the Navy Jr ROTC group we work with at Widefield High School we presented citizenship medals and a rifle medal for the best shooter. The instructors and sometimes the Senior ranking cadets make the selections. This really seems to mean a lot to the cadets receiving these awards, so we hope we will be able to continue this worthwhile recognition program.
