FROM THE COMMANDER

March is an important month in the Life of the American Legion for on the fifteenth of March is the American Legion birthday. This year as we turn 72 years of age we mark a total of 72 years of dedicated service to America's Veterans as well as to their widows and children. Throughout the years the Legion has been responsible for providing the ground work and muscle for such areas as the GI Bill of Rights that paved the way for veterans to become educated so that they can be competitive for all positions. The Home Guarrantee Program so Veterans can obtain funding for homes, and most important, we led the fight for medical care and the establishment of the VA Medical Hospitals to provide care to Veterans.

We started programs such as Boys State, Oratorical contests designed to give children the knowledge of how governments are set up and operated as well as provide knowledge of the United State Constitution.

To help celebrate this event the Post will host an American Legion Birthday dinner on the 23rd of March. The social hours will begin at 6:00 PM and the dinner will start at 7:00 PM.

Another activity that is important to the Post is the elections of officers to represent the Post during the upcoming year. The election of officers will be conducted at the General Membership meeting in APRIL.

Following the elections in May will be the Installation of Officers which will be conducted at the Peterson Air Force Base NCO Open Mess.

Nominations for officers will be accepted during the election in April.

As I close, join with me in remembering our Servicemen and

Servicewomen in the Gulf as well as the other assignments world wide. We must remember that while the Gulf theater dominates the military news, we have many other military units on duty at various other locations that the strains and stresses of the Gulf conflict weighs heavily on their daily lives. I also know that at the end there will be many servicemen and women who will have well proven themselves and will also require understanding and help. I ask everyone to remain willing to help and support them as required.

I hope to see all of you at the next meeting in March.

Larry L. Johnson
COMMANDER.
