BULLETIN # 3

2 MAY 1977

PROGRAM NOTES

City Councilman Mike Bird was guest speaker at the April 21 meeting. He presented a very interesting and informative talk on the outlook for our city, some of the problems facing City Council in the coming years, and city-county government cooperation.

We will have a two part program at the meeting on May 5. The winner of our award in the recent Science Fair will demonstrate his experiment for our members. Our guest speaker will be Deputy District Attorney Ed Arcuri, who will speak on the activities of the Consumer Affairs Division of the District Attorney's office.

County Veterans Service Officer John Gaillard will be the speaker at the May 19 meeting. His subject will be "Help Your Widow While She's Still Your Wife." Also at the May 19 meeting, we will have as guests the four high school students we are sending to Boys State, their parents, and the fine local businessmen who are sponsoring this activity. We expect to have press coverage for this event, and urge all members to be present.

MEMBERSHIP

We are still way behind our 1977 quota. Inclosed with this bulletin is a copy of "The Amazing American Legion." Use it to recruit a new member, and bring him with you to the next meeting.

CONSTITUTION AND BY-LAWS

At the April 21 meeting, the membership voted on and passed amendments to the Constitution and By-Laws which change the date of election of officers from December to April. The present officers will continue in office until the next election in April 1978.
