**NOVEMBER 1992**

**COMMANDER FLOYD BUFKIN**

The recent events surrounding the POW/MIA issue have been much in the news lately. Many veterans and veterans' organizations have been demanding a full accounting of our missing military personnel from the Vietnam war for years. It is because of the constant pressure on our government to be forthcoming with the facts that we have finally reached a point where the Vietnamese are going to provide us with documents from their extensive archives which will answer the questions of the many families who have waited so long.

Again, your membership in The American Legion has supported a gallant effort by our Legion staff in Washington, and the efforts of other veteran organizations, in helping our nation take an important step toward final resolution of this matter.

However, the matter is far from being completely resolved. There has been no progress in accounting for the many of our military personnel lost in Laos and Cambodia or in other wars. We must keep pressure on those in our government to continue to pursue this matter.

Write to your congressmen; let them know that we are not satisfied yet. President Bush has stated that "This closes the chapter" on this issue. **IT DOES NOT!!!** The chapter cannot be closed until ALL of our missing servicemen are accounted for as much as is humanly possible.

### ADJUTANT ANNOTATIONS *Ann Foster*

I am very happy to report that we now have reached 70% goal for membership. In order to be 100% by the end of December, we only need an additional 122 members. We have 255 who have yet to renew so I know we can do this if members will just send in their renewals. Let's show the rest of the Department of Colorado that we really are "The Little Post Going Places and Doing Big Things."

On October 14, 1992, we initiated a new member, Vivian Bloxsom. I am always moved by this ceremony as it is a very meaningful reminder of the importance of our membership in The American Legion. The next date for this ceremony will probably be in April. Please give some thought to taking part in it if you have not already done so.

The Program Planning Workshop for the Department of Colorado is coming up 6-8 November 1992 at the Denver Radisson at I-25 and Arapahoe Road. Our National Commander, Roger Munson, will be speaking Friday evening. Past

National Commander Bob Turner will be the banquet speaker on Saturday night. If you need additional information, call me at 591-1952, generally between 10:00 A.M. - 2:00 P.M.

The Veteran's Day Ceremony this year will be at Memorial Park at 11:00 A.M. Our own June Thomas, (Department Senior Vice Commander) will be the Master of Ceremonies. The theme for this year is "Salute to Women Veterans." Colonel Hedy C. Pinkerton, Deputy Chief of Staff for Morale, Welfare, Recreation and Services, Air Force Command, Peterson AFB, will be guest speaker. There will be various units from the military as well as all of the veteran organizations in the Pikes Peak Region. Please plan on attending to honor our fellow veterans.

Our next meetings at the Post will be 4 November for the Executive Committee and 19 November for the general membership.

The Bingo Committee could really use some help. Since Bingo is the major source of our funds at this time, it is very important to have sufficient help on Friday evenings at The Retired Enlisted Association Building (TREA) when it is our turn to have Bingo. If you can possibly help at any time of the month, please call Bloyd Bufkin at 591-5331 or Bill Pifer at 391-9807 in the evenings. Please consider doing what you can to help as we very much need to increase our revenue from Bingo if we are going to build our new Post Home.

**RAFFLE - RAFFLE - RAFFLE - RAFFLE**  
**HARRY JOHNSON**

You have approximately 30 days to get your chance to win the trip to the Bahamas. Your tax deductible contribution to the building fund of \$10.00 will assist the Post in

building the NEW POST HOME which has been an objective of the Post for many years. The NEW POST HOME is going to be for all members of our family...POST 209, AUXILIARY UNIT 209 and SAL SQUADRON 209. The design of the building has incorporated many of the ideas and desires of members who responded to the inquiry mailed out to all members.

We need your support by attending the GENERAL MEMBERSHIP MEETING, the SOCIAL EVENTS and the FUND-RAISING ACTIVITIES, such as Bingo, Raffles, and other fundraisers which we have from time to time.

If you have ever taken out a loan, you will know that the only way you can get it is to prove to the financial institution that you can repay it. That is the reason we have bingo, raffles, etc. This is going to be one and a half to two and a half million dollar project which will serve the VETERANS of our area for many years. WE NEED YOUR HELP.

I joined the Legion four years ago and became an active member because I felt that Veterans were entitled to the benefits promised by our government. We did not stop to get these benefits in writing before we fought in WW I, WW II, the Korean War, Vietnam or the most recent conflicts. It now seems we should have as Congress cuts out benefits our Veterans need badly. The American Legion is the main Veteran group fighting for these benefits.

We have approximately 420 members in our post and at a general membership meeting, we have less than 10% in attendance. WHY! WHY! If you have comment or response to this, I would like to hear from you.

It is the time of the year to vote...please do so and come to the next general membership meeting and vote your views.

### MEMBERSHIP - DOT DASSERO

Renewals have been extremely slow in coming into the office. Please, Auxiliary Members, send them in today!!! You have much to lose by not renewing your membership...your club privileges for one thing. We all enjoy having a nice club where we can have lunch, a drink or just to socialize for awhile.

We are important as an auxiliary to The American Legion. Our purpose is to defend and teach the principles of democracy; to uphold the law of the land; to foster patriotism; to venerate and serve our veterans; to instill a sense of obligation to the community, state and nation; to guard the basic freedoms of religion, expression and choice; to support the work of The American Legion, and to continue our association with devotion for service to God and Country.

But we can lose more than that in not renewing. Remember the insurance card you received when you joined the Auxiliary? All senior members of the American Legion Auxiliary who are residents of the United States, any of its territories and Canada who are in good standing are covered by the Accidental Death plan. There are three types of coverage.

Coverage A provides \$5,000 if you are killed while riding as a passenger on or boarding or alighting from a certified passenger aircraft provided by a regular established FAA approved airline; Coverage B provides \$2500 while riding solely as a passenger in or boarding or alighting from any public conveyance licensed to carry passengers for hire excluding

any air coverage provided in Coverage A; Coverage C provides \$250 while driving or riding in a passenger automobile of the strictly pleasure type, excluding any such automobile being used as a taxicab, bus or other public conveyance, or while driving or riding as a driver or passenger in any automobile engaged in any race or speed test. In addition, benefits payable for Coverage C will be doubled in the event an insured person is killed with their seatbelt on.

In addition, there are voluntary purchase insurance plans available to Auxiliary members such as hospital money, cancer/heart/stroke, group permanent life, assured life, term life, medicare complement and group auto. Information on these plans can be requested through National and are advertised in your National News magazine.

We have purpose and we have benefits. Don't lose out...get those renewals in!

---

8 & 40 meets November 16, 7:00 P.M. at Centennial Post 209. Barbara and Linda Watts will be hostesses. The potluck supper held for Departemental Chapeau Inez Nelson and her traveling companion Betty Moreby was a huge success. You missed an enjoyable evening if you didn't attend.

Membership cards have been received for the SALs. Please come in, pay your dues and obtain those 1992-1993 cards.
