Membership Meeting

Saturday November 12, 2005

TREA, Breakfast 9:00 A.M., Meeting 10:00 A.M.

**Speaker: Vicky Pettis, Program Director, Colorado
Veterans Resource Coalition—The Crawford House**

Officers' Comments

COMMANDER – Bill Marshall

Guest Speaker

Vicky administers the program at the Crawford House, providing shelter to homeless veterans. Post 209 administers the grant funds for the program from the State of Colorado, Division of Veterans Affairs. I believe it is important for the membership to understand how the program works and how we are working to support her. She is a dynamic lady and has a wealth of information on the program. Please join us for good food and a great presentation.

Membership

Thank all of you who have renewed for 2006. However, there are still some who did not renew in 2005, and I hope they will take the time to think about why they originally joined The American Legion and what we offer to our members and the community. It is not about politics, the war in Iraq or government, rather the young men and women of this country who we support through The American Legion Boys and Girls State, Oratorical Contest, baseball, Eagle Scout of the Year, Temporary Family Assistance, and of course, "Veterans Serving Veterans." Please take just a moment to reflect on your military career and how we can continue to help those in need. It takes all of us to support our community and our veterans and you are a part of the family that is doing this. Thank you for your support in the past and I look forward to hearing from you soon.

Veterans Day Parade

This year's parade is scheduled for **Saturday, November 5, at 9:30 A.M.** We are **#68** in the line up, starting at **Tejon and Willamette**; please be there no later than **8:45 AM**. Yes, it will

end in time for those of you who are so inclined to go to the Army vs. AFA football game. We will have the trailer for those who wish to ride and, of course, as always we need a couple of YOUNGER members to carry the flags. The Cub Scouts will carry the Post banner again this year. **Veterans Day services will be Friday, November 11, 2006, 11:00 AM, Memorial Park.**

The American Legion and "Soldiers for Soldiers" Program: Unlimited Potential for Legion Charities

This is another great opportunity for the Post to make some money, and all you have to do is turn in your old ink jet cartridges and cellular phones. No purchase is required, only the collection of items that might otherwise be disposed of. Post 209 is partnering with a local company, A BYTE ABOVE. They are members of the Legion and Auxiliary and have agreed to be the collection point. They have two locations: **2376 Academy Place, 570-1984 and 4585 N. Chestnut Street, 268-0584.** You can email them at jen@abyteabove.com, or check out their website at www.abyteabove.com. The attached list provides those cartridges that are accepted by the program. **Thank all of you for your support.**

Membership

As of this writing we now have 206 members for 2006. That puts us over 63% and just six more will put us at 65%. Overall we now only need 119 more for 100%. Thus, we are now on the downhill run. That is really good news. How about we make the run really progress by sending in your \$30.00, even if you have not yet received your Renewal Notice? All you have to do is double check your card to see your last year paid. If it says 2005 just send us a check and we will get your 2006 card to you. However, if your card already says 2006, and 11 have so far, please do not send us another check if you receive a Renewal Notice. Due to the different cutoffs established by the computers at National and the mailing times from Posts to Departments and Departments to National your already paid dues may not get into the computer at National before the next scheduled mailing of Renewal Notices. There is a sentence in red in

the lower right hand corner of the Renewal Notice that says, " **PLEASE DISREGARD IF YOU HAVE ALREADY PAID YOUR 2006 DUES.**" Thus, you can see that by checking your card you can put us ahead of the game, and you can congratulate yourself if you have already paid 2006 dues. By the way, the postage for the 11 who did not check their cards and had already paid for 2006 will cost the Post \$4.07 to mail your second check back to you. We are certainly happy to do that, but we would prefer to not have to. Thanks for your attention to these matters.

Jr. Shooting

On the 15th and 16th of October I attended the Coaches Clinic held at the Park Plaza here in Colorado Springs. The clinic was sponsored by The American Legion, and there were nine attending. Mike Buss, staff member from National, and H.G. Moody, from the NRA, crammed our heads full of all that we should know about air rifle coaching. Not that I see myself becoming a coach, but I did think it was important to know something about coaching as long as we sponsor the NJROTC team at Widefield. There were many things about coaching that I believe I can help, with to include the fact that all nine of us are now the Department Committee for Jr. Shooting. I was able to share much of what I have learned with Maj. Davis, our coach, who was unable to attend, and will continue that in the future. For those who don't know, he was certified this past summer by the Navy through the Civilian Marksmanship Program. One thing that came through loud and clear was the benefit this sporting program is to our young people. It teaches them so much about themselves, life in general, and how to be all you can be. It is truly well worth the time and effort.

Cub Pack 24

I have to really congratulate everyone who contributed to the Popcorn campaign. The Post ended up buying \$784.00 worth of popcorn. That is awesome! It shows what we can do when we put our minds to it. Thank each and every one of you so much as it is really going to help the boys. Unfortunately, they did not do as well this year compared to last year. However, there are not as many boys and that may well have been the reason. Thus, the Post contribution is even more important, because we were able to take up a good bit of slack for them. They are now looking forward to participating with us in the Veterans Day Parade.

CHAPLAIN – Mario Teracena

WE LIVE IN FREEDOM BECAUSE OF THE VETERANS' COURAGE AND SACRIFICE

Today there are more than 25 million veterans in this United States. We pay tribute, remember and honor them on November 11th. This year it becomes especially significant as we send our young men and women to serve overseas in Iraq and Afghanistan, possibly to make the ultimate sacrifice for their country. Countless soldiers have given their lives in passed armed conflicts and wars to preserve our freedom, improve the quality of justice and to choose our religion and how we worship. Countless veterans have fought so that we can say and say how we feel.

Countless veterans have returned sick and afflicted so that we can freely travel and choose where we want to live and work.

May we take a few moments this holiday to ponder and meditate on the heritage and legacy our veterans have given us. Let us honor them and remember them, those who gave so much to our country.

Thank you veterans and may God bless you.
