March 2004 Newsletter

From The Commander - Chuck Zeitvogel

It Was A Success!

Thirty-three (33) Post 209 legionnaires attended the Saturday morning, February 21st General Membership Meeting. Congratulations to all who attended. Discussions took place concerning the disposition of the 7.4-acre lot owned by Post 209 and the vision to build/acquire a Post Home for Post 209. Also a motion was made to change the Bylaws. Details on that motion follow.

You are important in what is decided for the future for your Post 209. Without question you are needed to attend the March 13th Saturday morning General Membership. It will be in the TREA Auxiliary Room and start at 10:00 A.M. Come early and enjoy having breakfast in the TREA Dining Room. It opens at 8:00 A.M. Saturday mornings.

Change in the Bylaws

A motion was made to change Article X, Meetings, Section 5 of our bylaws. It currently reads: *Ten percent of the members in good standing shall constitute a quorum for the conduct of business at a regular or special meeting.* The motion was made to change this to read: *Twelve (12) members, three (3) of which must be elected officers of Post 209, will constitute a quorum at regular and special membership meetings.*

This is an important change, members are encouraged to vote for it so that business can be conducted in a timely manner for the benefit of your Post 209. Attend the March 13th meeting and vote for this change.

From Chaplain - Howard Hornick

Reported ill or sick: Reginald Clay in hospital in Denver
Reported Passing: None

We are pleased to see our service people returning from Iraq, and hope there will be many more.

Taps for many it is mournful and yet peaceful to hear; when we hear *taps* it is a reminder that a service member or veteran has passed. Let us pause when we hear *taps*, and in our own way offer a prayer for the souls of those who have passed and that they will rest in peace.

From Adjutant - Ann Foster

We now have 272 members for 2004 and need only 13 more for 100%. Dare we dream of 105% (27 more) or 110% (42 more)? I think it is possible, but it will require the support of the entire Post to make it happen! There has to be at least one person you know that is a veteran and does not yet belong to The American Legion. We live in a city full of veterans and yes I know that some belong to other veteran service organizations. However, you can belong to more than one and choose to be active in only one of them! As examples, I belong to the following: The American Legion, the Air Force Association (AFA), the Air Force Sergeants Association (AFSA), The Retired Enlisted Association (TREA), the Disabled Veterans Organization (DAV), and the Military Officers Association of America (MOAA). You may ask why so many and the answer is a desire to support and/or affiliate with those groups that are of my branch of service as well as how I served, i.e., both officer and enlisted. I belong to DAV as a 50% disabled veteran. Their magazine does an excellent job of keeping me up on disability issues for veterans. I have paid life dues in each of them. Thus, I do not have to worry about dues annually. Another way to look at this is the knowledge that the support of membership in each enhances the work of each. This is particularly true of the work each does at the national level to advance the concerns of veterans before Congress. I choose to be active in The American Legion, because it is the largest, the oldest, is family oriented and has an excellent record at the National, Department and local level. We have other members of our Post who belong to their branch of service veteran's organization as well as The American Legion. Examples are the Navy League, the Marine Corps League, the Korean Veterans, the Veterans of Foreign Wars, etc. So, let's make it simple. If you know someone who is eligible to belong to The American Legion, just call or write us with the name, address, and telephone of that person. We will take it from there. With your help we can go above and beyond our 100% goal.

Thanks to those listed below for joining us, renewing and transferring to our Post:

Tentative arrangements have been made to have future membership meeting at The Retired Enlisted Association (TREA) Chapter 1 Auxiliary Room.
