CENTENNIAL POST 209

JUNE THOMAS, COMMANDER

'A LITTLE POST GOING PLACES AND DOING BIG THINGS'

BOYS STATE PROGRAM

The first program was held at the Illinois State Fairgrounds in June 1935. Today 50 states and the District of Columbia conduct Boys State and this year more than 30,000 will participate, continuing the of growth of government through education.

Colorado held its first Boys State in June, 1949, at Estes Park with 89 delegates and 15 counselors. A ten member commission was set up. Ray McRae of Pueblo is the surviving member of this original group.

This year, Boys State will be held during the week of June 14-18 in Pueblo at the University of Southern Colorado. We are seeking counselors for Boys State.

THE POPPY PROGRAM

The American Legion Poppy distribution program is a program with which the American Legion Auxiliary has long been associated. It was begun as peace returned to the nation after World War I and was founded as a means by which a grateful nation could show its appreciation and respect to those courageous soldiers who had sacrificed their time and often their lives in defense of freedom. It prevailed as a symbol of and a perpetual memorial to the lives lost during that first devastating war and the wars and conflicts which followed.

During "Poppy Day," generally celebrated the week before Memorial Day, Auxiliary volunteers distribute the now familiar red four-petaled crepe

paper poppy and invite all patriotic Americans to join in support of hospitalized and disabled veterans across the nation who handcraft the small memorial flower in Auxiliary-run poppy shops. These shops provide both psychological and physical therapy for the veterans, as well as allowing them to earn pocket money during their hospital stay at VA medical centers. All proceeds derived from Poppy Days are used to aid veterans and their families.

FROM THE COMMANDER

Hi Legionnaires:

We are growing leaps and bounds and I am excited about building our new Post Home. If we can ever get through the city ordinances, we will put our sign up on the property. We need some help, folks! Anyone who is able to donate time for legwork through the city offices to help expedite this process, please call Neal Thomas at 591-2272 in the evening.

Thanks to each and everyone who helped with the American Legion birthday party. It was a great success! Past Commander (Big John) Johnson took charge and did a great job. My hat is off to the Auxiliary who took their rightful place at the Post with all the beautiful decorations along with a delicious birthday cake. Thank you, Ladies, I couldn't do it without you...U DUN GOOOD! Thank you for your support... together, we are winners!

Help me welcome aboard our Head Bartender "Jocko." He and his staff are doing a great job. Also thanks to Don Miller for being there whenever we need him.

All committee chairmen are asked to turn in their reports to our Administrative Assist, Legionnaire Ann Foster, by April 15. Any plans you have for your programs in May and June can be included in your report. This is to allow us time to consolidate those reports and send them into Department Headquarters. You have done such a terrific job but without us sending the dollar amount of value and the number of volunteer hours given, we would not have the "clout" in Washington, D.C., we need.

Our Senior Vice Commander, Lou Mikulecky, has retired from office as well as club manager. I have appointed Bill Weeks to fill the remaining term of office.

Legionnaire Bob Morris, along with his committee, has taken over the management of the Club temporarily. Thanks, guys. We miss you, Lou, but wish you the very best. You did an excellent job and deserve a rest.

We are also losing our Junior Vice Commander, Quinn McNeil and his wife, Eleanor. Mac is leaving the military and moving to Arizona. Thank you all for your service to Centennial Post 209. Your hard work and dedication helped us grow.

Let us continue to be...Veterans helping Veterans ...for there is strength in unity and together we are winners!

**JUNE THOMAS
COMMANDER**

**FROM THE SENIOR
VICE COMMANDER**

We have surpassed

our membership goal of 305 Legionnaires for the 1991-1992 American Legion year. Our present membership, as of 19 March 1992, is 383 Legionnaires or 125% of our Centennial Post 209 goal. I would like to thank each and everyone of you who has worked so hard for new members as well as renewing your own membership. You all have made our Post work and grow but we still need to do more.

Now a few words about "A Little Post Going Places and Doing Big Things."

We have come a long way but are still going and doing and need the assistance of each and every member to reach our goal.

The new Post Home is going to require additional membership to support it. Therefore, one of the ways you can assist us now in that endeavor is to sign up additional eligible members and continue to do so in the future. To aid you in our membership campaign, herein you will find a copy of a membership application. Please cut it out and get as many new members as possible.

If you need more applications, stop by the Post and pick them up or give us a call and we will drop some into the mail.

At this critical time in our Post progress, it is essential that we have the support and assistance of everyone. I thank you in advance for that support and assistance which I know you always have and always will continue to provide. In these austere days, it more than ever takes Veterans helping Veterans. If we don't do it, no one will.

**BILL WEEKS
SENIOR VICE COMMANDER**

The President's FY93 Budget proposes to subject military and federal civilian COLAs to automatic cuts whenever government spending exceeds the deficit reduction target. It was this same procedure that resulted in our loss of a 3.1 percent COLA in 1985. To help us counter this threat, send The Military Coalition's COLA Equity Message to both your senators and your representative today! To send The Military Coalition Message:

■ Dial Western Union's toll-free hotline number 1-800-392-5700. This service is available seven days a week, 24 hours a day.

■ Give the operator your full name, address, zip code and telephone number. Ask the operator to send our prestored messages to your two Sena-

tors and Representative. It is not necessary to know their names or addresses to send the messages. The operator has this information.

■ The total cost of your three messages is \$7.00. A confirmation copy will cost an additional \$1.00. This can be charged to your phone bill or a VISA or MASTERCARD credit card. In Alaska and Hawaii, it must be charged to a VISA or MASTERCARD.

■ Those callers whose phone service is provided by US WEST will receive an invoice directly from Western Union instead of charges on their phone bill.
