TREA

0900 Breakfast, 1000 Meeting
Officers' Comments

COMMANDER - W. W. Bandler

Centennial Post 209 has not conducted an initiation ceremony for new members in over four years. We therefore will be conducting an initiation ceremony during our October 14, 2006 general membership meeting. We will have breakfast at 0900 and our general meeting at 1000. The following is a list of Legionnaires of Post 209 who need to be initiated into The American Legion. We encourage all who can attend to do so. Please RSVP the Commander by phone (531-7747) or by the Internet (wbandler80920@peoplepc.com) by September 15, 2006, if you will be able to attend the ceremony. This will allow us time to make arrangements for TREA to provide ample food for our breakfast:

Dwayne J. Porter, Homes K. Kinte, Kirk Hannivig, Dellis Morris, Francesca I. Smith, Vincent Johnson, Joe E. Browning, Bernard J. Whitney, Richard D. Brandt, David G Johnson, James J. Marchese, Joel Franzen, Corey Wade, Jimmy C. Bowden, Albert L. Donnell Jr., Timothy A. Amthor, Arthur L. Criswell, Vicky R. Pettis, George A. Thornton, Luther D. Floore, Edward L. Arcuri, James Dodge, Edward W. Weaver, Michael J. McInerney, Isaac K. Woodfork, Larry R. Grenier, E.J. Nusbaum, Carl Jordan, William A. Weiland, Robert Wherley, Philip Larsen, Curtis Wash, Mario Taracena, Penny A. Marshall. (If we have missed anyone who hasn't been initiated please advise the Commander so we may add your name for initiation).

There will be no General Membership meeting for the months of November and December 2006. The November meeting has been preempted by our participation in the Veteran's Day Parade and ceremony and the December meeting by our annual Christmas luncheon.

The Executive Committee decided that for the benefit of all our members, especially those who cannot attend our general membership meetings, we would publish our newsletter on a monthly basis rather than every other month. This way we can keep all our members better informed of information on a more-timely basis.

ADJUTANT - Ann Foster

Membership

We now have 202 members for 2007. That is really wonderful as our goal has now been announced to be 312. That means we are at 65%. Keep up the good work.

Cub Pack 24 - Now that school has started we are very busy with our recruiting efforts to get the Pack off to a good start. We recruit from Washington Elementary, where we meet, Midland Elementary, and Buena Vista Elementary. Popcorn will be starting sooner than we might think. However, we cannot actually start taking orders until 22 September. If there is room, you will be able to see what is being offered this year from the Trail Master Company. We will put the order form in the next newsletter or do a separate mailing, if needed. Keep your fingers crossed that we are able to bring Scouting to more boys than last year. If there is anyone who is willing to be an Assistant Cub Master, an Assistant Den Leader, and/or Advancement Chair, please let us know as that would be very helpful.

JR. Shooting - Just like everything else with beginning a new school year this program is just now getting underway. We hope this year's team will improve overall, so that perhaps they too could join in with Canon City's team to be represented at the National Finals.

FINANCE OFFICER – Norm Moyer

MONICA KARZAN

Monica passed away on July 8, 2006. She was the wife of fellow Legionnaire, Mario Karzan. Monica struggled for a long time with a debilitating severe rheumatoid arthritis.

We are asking for your prayers for and in behalf of **Lois Chriswall**, wife of Art Chriswall who spent time in the hospital undergoing treatment for bladder and heart problems. Lois is now home recovering comfortably.

Your thought and prayers will also be appreciated for **Ilse Hoggenmiller**, wife of fellow Legionnaire Herman Hoggenmiller. Ilse has spent time in Penrose and St Francis Hospital for the treatment of lung problems.

PATRIOT DAY

President Bush proclaimed September 11th a National Holiday commemorating the victims of the villainous attack on our nation on September 11, 2001. This heinous attack on New York and the Pentagon was perpetrated by Islamic terrorists who hate our way of life and freedoms.

Let us celebrate this day by flying the flag at half staff, meditate and observe a moment of silence to honor those 3,000 plus innocent victims who lost their lives on that infamous day.

Let us not forget that this attack by the forces of evil, domestic and foreign, are still alive and waiting in the shadows to strike again, as demonstrated in the recent foiled plan to blow up several planes over the Atlantic. American lives are still being lost; our soldiers are still fighting this ferocious enemy whose goal is the destruction of America. Why? Because they abhor our democratic way of life, the liberty we enjoy and the freedom of worship according to the dictates of our conscience. Let us continue fighting in whichever form this enemy exists to preserve our heritage and values. Let us continue reaffirming our faith in God and its divine guidance for our country: "GOD BLESS AMERICA"!

HAPPY NEW YEAR

Rosh Hashanah is a religious Hebrew holiday meaning "Beginning of the Year." This year it begins at sundown, September 21. It is celebrated on the first and second days of the Jewish calendar month of "Tishri." It has similar meaning as the 1st of January. Rosh Hashanah not only celebrates the New Year, but also the creation of the world. This year will be the year 5,767. According to customs and traditions this day is dedicated to praying, visiting friends and relatives and wishing each other happiness and prosperity in the coming year.

PAST COMMANDER – Bill Marshall

This message was received from Department Adjutant Pat Smith and will be discussed at the September 7 Post Executive Committee meeting:

"The delegates to the National Convention voted to increase the per capita by \$4.50 per member effective on January 10th, 2007. This means that the per-capita due to the Department for all membership transmitted after that date will be \$28.00 per member. Now is the time to encourage all members to either pay for a Paid up For Life (PUFL) membership or pay their 2007 dues prior to December 31st, 2006. Department will need to have all membership into our office no later

than close of business Friday January 6, 2007 in order for us to process them and have them turned into national by their deadline. More information will be forthcoming next week about the process for a post to raise their dues prior to the January 2007 dues notice going out to their members. The next issue of the Observer will carry an article with more details.”

PAST POST COMMANDER - Chuck Zeitvogel

It's a Fact

If a person lives long enough he or she will be a senior citizen one day! Some organizations will say a person becomes a senior citizen after the age of 50, some say after 60 or 65 years of age, others might joke and say you're only as old as you feel. Why should any of this be of interest to us? Well, the fact is that senior citizens face some unique challenges as they age.

A few days ago I was in the East Library, off Union Blvd, and picked up a copy of The Seniors Blue Book, A Seniors Resource Guide for Colorado Springs and Surrounding Areas which is a directory of senior housing and resources, as well as a copy of the Pikes Peak Region 2006 Senior Housing Directory. Both are published by the Seniors Resource Council and are free. Their e-mail address is info@seniorresourcecouncil.org or one could call them at (719) 260-0744.

The 2006 Senior Housing Directory comments that, “By the year 2020, 15% of the population living in the Colorado Springs area will be 65 years of age or older...” and then briefly defines independent housing, retirement communities, assisted living, nursing facilities, skilled health care, and affordable housing, as well as geriatric care managers, where facilities are located, average costs per month, and in some cases costs on a daily/hourly basis. For information on costs, I suggest stopping by the library for a free copy of the two guides mentioned above.

My belief is that senior citizens should strive to enjoy the best quality and quantity of life possible, and use the community resources available locally to achieve these goals. The Senior Resource Council has brought together a wealth of information to assist senior citizens. Its web site is www.seniorresourcecouncil.org for anyone who would like to learn more about its activities.

Thanksgiving Day Food Baskets/Boxes

Your American Legion Centennial Post 209 has helped distribute Thanksgiving Food Basket/Boxes in past years to members who desired participate in this program. The offer is again being extended now to anyone who would like to participate. All it takes is placing an order in late October or early November to meet the November 18th distribution date from the source where I pick up the food, and you can pick it up from me at the Post 209's office parking lot. The cost is usually about \$30.00 for about \$60.00 worth of food for a traditional Thanksgiving Day meal. If you want me to pick up the food items on the distribution day, contact me by October 15th and I will have the exact cost and what will be in the food baskets/boxes. My phone number is 719-531-0546. The food items are purchased through the SHARE Colorado program, which anyone can participate in on a monthly basis through any number of locations here in Colorado Springs and through out the state.
