Meetings and Programs

Meetings are the first and third Thursdays of each month at Moore Realty Company, 3690 N Academy Blvd. Programs for meetings through August 3 are as follows:

June 1 -- Mr Alfred Gillen, Director, El Paso County Dept of Social Services, will discuss the programs and activities of his department.

June 15 -- Mr Len Bullock, Personal Affairs Officer, Peterson AFB, will discuss Air Force Casualty and Survival Assistance programs.

July 6 -- Mr Jim Coakley will present an illustrated talk on historic American flags. Some of you will remember Mr Coakley's highly interesting and informative presentation on the Panama Canal at an earlier meeting.

July 20 -- A representative of the Colorado Springs Planning Commission will discuss the activities of that agency, with particular emphasis on zoning laws.

August 3 -- Mr Phil Coombs, American Legion Department Service Officer, will be our guest speaker.

Call for Volunteers

We need volunteers for assignment to a number of important committees. Perhaps the most pressing need is for the Program Committee. We need one or two good men to plan future programs, contact possible speakers, and arrange meeting programs.

Max Hoyer needs some help with the Americanism and Children and Youth committees. Anyone interested in working with Max on such activities as Boys State (for next year), Oratorical contest (again for next year), Science Fair, and similar activities, please be at the next meeting and make yourself known as a volunteer.

We want to establish a Planning Committee to take a long look into the future. The main object of this committee will be to decide where we want to be five years from now and how we can get there. We would like two or three volunteers to man this committee and do some brainstorming.

District Seven Convention

The District Convention will be held on Sunday June 4 at Post 13, Canon City. We are authorized six delegates, and must have at least two delegates present in order to vote. Registration for the Convention will begin at 10:00 AM, and the convention will begin at 1:00 PM. We would like as many of our members to attend as possible. Anyone who wishes to attend as a delegate please attend the June 1 meeting and let us know that you are available.
